

## **LIGHTWIRE THEATER'S A VERY ELECTRIC CHRISTMAS**

### **Extended V.I.P. Experience**

**This post-show experience is designed to bring the patron to see up close and personal how the magic of Lightwire is created and executed. It will deconstruct the characters to demonstrate the elements that go into the fabrication of the characters.**

**A master class in the intricacies of the electroluminescent, wire-lighted characters, answer any questions you may have, and perhaps try on a few pieces. Photos may be taken.**

**V.I.P. ticket holders will be brought on stage after the performance and after the theater has been cleared.**
